

2020 BOND

CHARLOTTE PUBLIC SCHOOLS
OUR KIDS • OUR COMMUNITY • OUR FUTURE

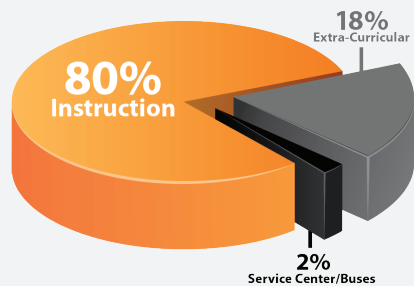

WHAT ARE WE VOTING ON?

On November 3, 2020 voters will consider a \$36 million school bond proposal that will impact all buildings at ZERO increase to the current tax millage rate.

ZERO INCREASE TO THE CURRENT TAX RATE

FOCUS OF BOND DOLLARS

All registered voters can vote absentee in the Nov. 2020 election!

CHARLOTTE COMMUNITY MEMBERS,

In response to this challenging time, it has been inspirational to see the community of Charlotte pulling together to support each other. Our food programs allowed access for families with needs, free summer learning supported our children, and our child care needs were provided at Weymouth. All of these were focused on essential necessities for our community members. Our great area volunteered, donated, and sustained these programs with food, supplies, masks, and finances. We appreciate all of the hard work and care that has been shown for our families during this difficult time.

On behalf of Charlotte Public Schools, I am reaching out with information on our upcoming 2020 Bond program for the November 3rd election. This program will impact our community allowing for safety, security and efficiency/infrastructure upgrades and improvements to our learning spaces and educational programming. Due to a bond refunding opportunity, the 2020 Bond will not increase the current tax rate. We can improve our school buildings with more secure entrances, add badly needed classrooms, improve our learning spaces, and build a new Agricultural Learning Center and auxiliary gym, with zero increase to the tax rate! Utilizing community feedback, this bond focuses on improvements to education, with 80% of the bond tied directly to instruction for our students.

Please visit our web page at www.charlotteorioles.com for further information regarding the CPS Bond 2020 program, and call me with any questions.

Don't forget to vote on November 3, 2020: Election Day!

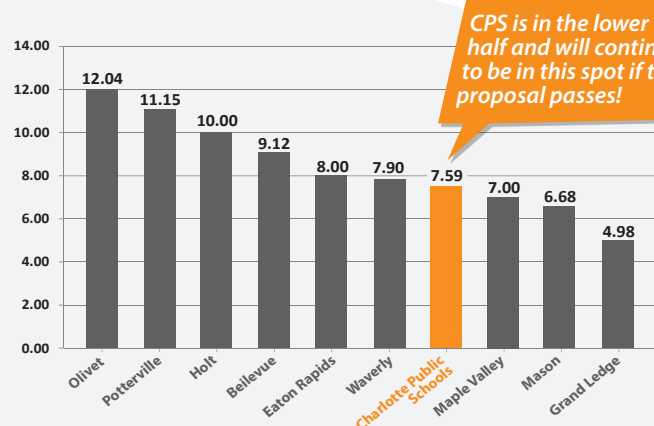

Go Orioles, Oriole Pride!
