

The Loft

There are clothes, shoes, coats, backpacks, hygiene products available.

The Loft

The Loft was started in 2015 as a way to help meet the needs of our homeless students and needy families. The idea is to gather all types of donated clothing items (new and like new) to create our own version of a store where these items would always be immediately available to anyone in need.

The Loft has clothing for all seasons and sizes, winter hats, gloves/mittens, coats, snow pants, backpacks and basic school supplies, some hygiene products, and some boots/shoes.

The Loft is located on the first floor of the Charlotte High School. The Charlotte work-based learning students oversee the clothing closet by laundering, sorting, folding, shelving, hanging and taking inventory on all donated items.

Families in Need

Simply contact your school counselor, school social worker, principal, or a teacher in the district to fill out a request form. They can turn the form in and the request will be filled as soon as possible.

Donations

Donations may be dropped off at the Charlotte High School Office located at the main entrance of the High School. The address is 378 State Street, Charlotte Mi. 48823. Store hours are 7:15-3:45 Monday through Friday.
